Wilmette CommunityBand Virtual Meeting Minutes

6/14/22

Attended: Skelton, Fodor, Nador, Isacson, Linsenmeier, Fertig, Jasieniecki, Urban, Tilles,

Report from Fodor regarding payment for the 4th parade from Evanston would only be 250 dollars. With costs being far above that, a vote by Terry,,seconded by Dennis to cancel was called, unanimously passed. The other two parades, Niles and Skokie would pay \$900 and \$800, enough to cover expenses, voted and passed unanimously. Details to be posted on line on the band web page.

Discussion re parade day; meet at David's church on Monday morning early 7ish to decorate, load and proceed to starting point (details to follow). Jeff will bring the ladder and decorations, Sally to bring chairs, and water. Paul will bring flip folders.

Ray Bolton is managing the band shirts. David reported the shirts are white polo style with embroidered band logo. We have sizes, one per person, and a few extras of size assortment as back up.

The Wilmette downtown concert charge was voted to be \$500.00 asking price (since we have never received any reimbursement for the many previous performances). We hope to awarded something to cover expenses this time.

Jeff opened a discussion regarding the Lighthouse concert problems. The city of Evanston has made several changes to the property adding parking meters, access to the beach, restrictions

on street parking and property utilization. It was moved to cancel the performance by Jeff, seconded by Paul and unanimously passed by the board.

David floated the idea of his Church parking lot outdoor concert. Jims church was also discussed but room for parking and set up was noted as a concern. The idea will be discussed later and perhaps an indoor setting may be considered depending upon the Covid problem.

Linsenmeier suggested the Evanston Historical Center as a site to consider, Crown center was also mentioned as a possible site. These will be looked into if needed.

Our band Sign will need renewal, showing its age. Dennis will take that on and bring it up to date.

David brought up the idea of a post concert reception after our last concert at Trinity. Band members can host with an assortment of refreshments and invite the attendees as a thank you for your support gesture. Board passed this unanimously and details to be worked out by the next meeting or two.

David asked for help sorting, filing, organizing music folders at Jeff's house on 6/21. It will be announced at the next rehearsal, hoping for a nice crew.

Terry motioned to adjourn seconded by Jeff.

Next meeting to be announced.
